The Museum will initially be open **Wednesday-Sunday, 10:00am to 5:00pm**. While some experiences will be temporarily closed during the initial reopening phase, the vast majority of the 350,000 square foot Intrepid Museum will be available and accessible to visitors, including most exhibitions, the entire collection of aircraft outside on the flight deck and in the spacious hangar deck, as well as the Space Shuttle Pavilion, which houses the space shuttle *Enterprise*.

The Museum has implemented timed ticketing in order to accommodate capacity restrictions and ensure a safe, enjoyable experience for all. As such they are encouraging all visitors to reserve their tickets in advance. **In order to accommodate our patrons, there is a dedicated URL unique to our organization.
